## Despite the uncertainty, we carry on!

### What's new with YOUROTRIP project

Due to the covid-19 pandemic and the safety measures and restrictions at place, unfortunately we could not travel to United Kingdom and implement the Peer Youth Training. Therefore, we implemented the Training virtually. The Yourotrip Peer Training was delivered in the context of the development and delivery of the project's activities, mobilizing young people to influence decision makers about Climate Change. We discussed about youth participation (following Roger Hart's Ladder on Young People's Participation) and local youth councils, as well as ways to promote inclusion, and most importantly, the concepts of culture and interculturality, as well as participation and argumentation in democratic debates.

## Meanwhile we raise awareness to young people for **Yourotrip** project through Info Days...

Project partner **ActionAid Hellas** from Greece, **Solidaridad Sin Fronteras** from Spain, **AEVA - Associação ara a Educação e Valorização da Região de Aveiro** from Portugal, **ActionAid Denmark**, **FITT - Fundația Județeană pentru Tineret Timiș** from Romania and **Südwind** from Austria, held Info Days so as to inform young people about project aims, objectives and activities and informed over 150 young people and inspire them to engage in the project and the Local Youth Councils!
